CELTIC ROSS HOTEL

Sometimes you need to get your team out of the office and share an experience that's completely unrelated to work. It's the perfect way to bond, build morale and boost productivity.

It's hard to think of anywhere better than the stunning West Cork stretch of the Wild Atlantic Way for some well-deserved team R&R. We've partnered with Skibberreen Rowing Club to deliver a team away day with a difference!

What you'll experience...

- Learn what it takes to be a high performing team player
- Tour of the Rowing Club and all its history
- Test out your rowing skills
- Get out on the River Ilan
- Tea/Coffee & refreshments

We'd be delighted to put together a bespoke package tailored for you and your team. Whether it's a hearty breakfast before you head out to Skibberreen, Lunch in our award winning Kingfisher Bistro, or an overnight stay with dinner or BBQ, you and your team will experience West Cork at its best.
